Ethics Statement

This document is the basis for our business ethics, and we believe illustrates the Europa Leisure ethos.

Europa Leisure (UK) Ltd.....

Timber products & Global environmental issues:

.... will as a supplier of timber products under no circumstances engages in the manufacture, or purchasing of products from timbers that are not harvested from well managed and regenerated forests.

.... will ensure the validity of all certifications and environmental standards with companies that they conduct business with.

.... will only conduct business with companies that ensure local environments are not at risk due to manufacturing operations.

.... will actively encourage our suppliers in the Far East to understand the environmental concerns in Europe and to move towards these standards.

Health & Safety issues:

.... will only conduct business with companies that have an ongoing commitment to the issues of occupational health and safety and to comply with national and industry requirements.

.... will **not** conduct business with any company that employs, either directly or indirectly, child labour.

Local environmental & economic issues:

.... will where possible seek to purchase product and services from companies and individuals located near to ourselves in Salisbury, thereby supporting our local economy.

.... will actively recycle waste material and keep to a minimum materials that can not be recycled.

.... will encourage our employees to car share or cycle to work.

.... will embrace new technology that can help reduce our “carbon footprint”.

“Treat the earth well. It was not given to you by your parents. It is loaned to you by your children.” A Kenyan proverb
