

New for 2015, our lovely Fontello Dining Set. The table and chair frames are made of extruded aluminium, powder coated in a silver grey colour, with synthetic wood planking. This is finished in an attractive grey colour and has the appearance of genuine timber, but never rots! This set comprises of a sturdy generously proportioned dining table, 2 multi-position reclining armchairs and 4 stacking armchairs. The table is supplied in KD form for easy home assembly; the chairs arrive assembled.
