Capri Chairs

A super little pedestal table that can be filled with sand for extra stability, the Tucano would suit a small balcony. The ideal chair to accompany this table is the folding Capri as shown here, or maybe the compact Elba stacking chair.

Darsena Chair

Aqua Marina Chair

Bora Chair

Designed and made in Italy the Libeccio table is simply stunning. It will extend from 160 to 220cms. and is manufactured from a mix of resin and glass-fibre making it immensely strong and weather resistant; the extension when not in use is stored underneath. It has a parasol hole and adjustable feet. The simple, but ever popular white colour sets it apart from the rest.

Palma Chair

Palma Chair

The Alloro table in turtle dove grey and white extends from 140 - 210 cms. It has a double-skin 'Durel' top in turtle dove grey and the slatted style of the top combined with the attractive woodgrain effect etched into the surface gives the impression of it being of timber construction. The table extension when not in use is stored underneath. The leg assembly is extruded aluminium, powder coated white, and the feet are adjustable. It is shown here with the matching Palma armchairs.

The Nettuno folding wheeled lounge is very popular throughout Europe and is tough enough even for commercial use. It will lie very nearly flat and the back rest is controlled by the side handles. It has a handy storage compartment at the back, can be easily cleaned with a damp cloth and it folds for storage. The Nettuno is available in a choice of white, green or anthracite

The Alfa wheeled lounger with adjustable backrest will lay completely flat for sunbathing. It has a breathable synthetic fabric (which is replaceable in the event of accidental damage.) It has small roller wheels set into the frame, is stackable, and extremely strong and hardwearing; the same model as supplied to international hotel groups and major cruise lines for use around their swimming pools. The bed height is 30cms, it has armrests, and it is available in choice of colours as shown.
