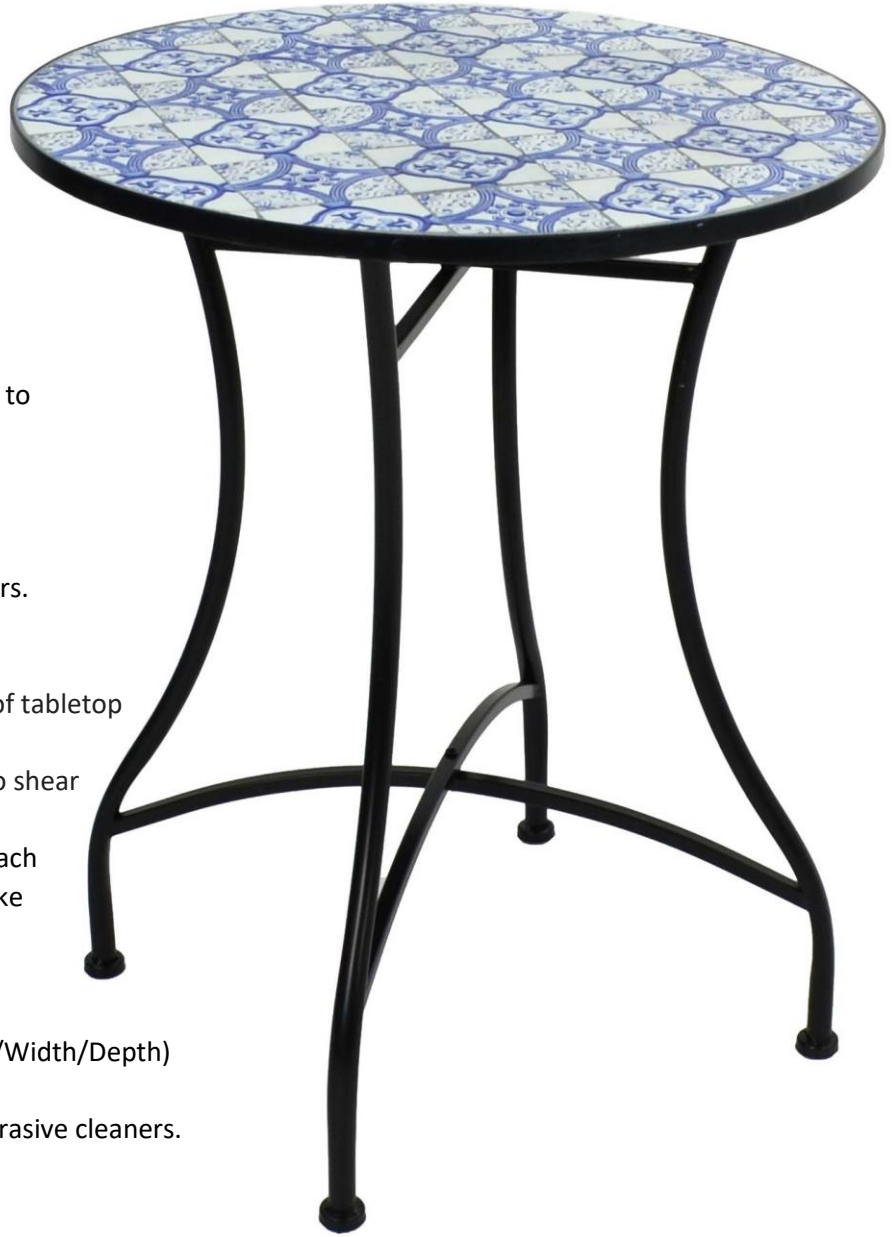
NASSAU Bistro Table – 60cm



IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

Any guarantee or warranty is cancelled in case of damages caused by misuse or abuse in respect to the instructions for use, we hereby decline any responsibility for any consequential damages.
Safety procedures must be followed.
INSTRUCTIONS FOR USE: Read thoroughly and completely the instructions prior to use.
Intended for private and domestic use only.
ASSEMBLY During the preparation of the product, use caution to prevent pinching of one's fingers.
1. Lay the tabletop face down on a soft surface to avoid scratching
2. Open the leg assembly which is hinged
3. Sit the 4 holes in the top of the leg assembly on to the 4 bolts protruding from the underside of tabletop
4. Screw on the 4 domed head nuts provided, hand-tight only until all 4 nuts are in position
5. Finally tighten the 4 nuts with spanner, but do not over-tighten as this could cause the bolts to shear
6. Lift the table and turn on to its feet

WARNINGS 1. Do not stand on this product. 2. Use the product only on fiat surfaces. 3. Before each use, place the product firmly. 4. Before each use, inspect the product for any damage and to make sure all the parts are connected.
DISPOSAL: Dispose of product according to the laws in force. Respect the law and obligation regarding the environmental laws in force.
TECHNICAL DATA: Material: Steel & ceramic tiles. Dimensions: approx. 71.5 x 60 x 60 cm Height/Width/Depth) Weight: 18 Kg
MAINTAINENCE AND STORAGE To clean use mild soap and water, do not use bleach, acid, or abrasive cleaners. It is advisable to protect the table from very severe frost which can affect the tiles.
