

Diana Chair

Creta Wicker Chair

The Toscana 165 in anthracite with mosaic effect decorative top is a very stylish table, and the film makes it both hard wearing and easy to clean; the film is not merely stuck on, but applied during the moulding process. The table is light in weight, UV resistant, maintenance free and is very durable in all weathers. It is shown here with Creta stacking chairs with moulded wicker back panels, but other options are available.
